

CHELSEA COLLECTION

Drawing on the classic design elements of tartan, herringbone, houndstooth and damask, Chelsea is a stylish new collection of printed, furnishing fabrics, inspired by the ongoing trend for heritage-style fabrics in contemporary interiors.

From the striking feature design Portobello, a timeless damask, to the warmth of Greenwich, the wool-look tartan, the collection reflects the rich history of traditional textiles in a smart, modern mix of contrasting scale and texture.

Offered in a range of seven co-ordinating colourways and on an extensive range of FR base fabrics, Chelsea is complimented perfectly by the beautiful textural qualities of the woven upholstery fabric Eureka and the plain contrasting drapery fabric Manhattan.
